

The Commonwealth Home Support Programme (CHSP) provides access to entry-level support services to keep senior Australians living independently and safely at home and connected in their community.

This Price Schedule outlines the CHSP services Uniting AgeWell's caring and professional team provides, including In-home Services, Social Connections, Allied Health (including AgeWell Gym and AgeWell Active Online) and Home Maintenance. While some services are delivered to people individually in their homes, others are centre-based and may include group and individual activities.
